New York, September 24.-George Fordon Battle, counsel for Mrs. Kath-erine Ketcham Blake, wife of Dr. Joseph A. Two days after Mr. Train had accepted service for his client, Mr. Battle said, a deed was filed at Mineola, L. I., in the office of the clerk of Nassau County, in which Clarence H. No Misconduct Charged.

In the complaint served on Mr. Train, according to Mr. Battle, there were no charges of misconduct on the part of Dr. Blake and Mrs. Mackay. Alienation of the affections of Mrs. Blake's husband was the only allegation set forth in the complaint.

Mr. Battle said the papers of the suit will be filed in the office of the county clerk within a few weeks, or as soon as the fall term of the Supreme Court convenes. He also admitted that Mrs. Blake is contemplating the filing of a suit for separation, but that it would not be necessary to await the outcome of the alienation suit hefore taking such a course. He said that Mrs. Blake has sufficient evidence to proceed in the action for separation without depending on the same evidence which will be introduced in the alienation suit.

"Mrs. Mackay's name will not figure in the suit for separation, if such a suit is finally brought," said Mr. Battle.

Friends of Dr. and Mrs. Blake have been endeavoring for some time to bring about a reconciliation, but it is said that all hope in this direction (Mackay and Children in Europe. Clarence H.
